WEEK 13

- 1) Some English people thought the slave trade was evil and campaigned against it. If you had been one of them who would you have thought was most to blame for the trade: sugar planters, captains of slave ships, merchants who sold goods to Africa or the African leaders of slaving parties? Discuss. (page 100)

WEEK 14

- 1) List six activities which are considered criminal offences in the laws of your country.
- 2) Apart from open rebellion how could the slaves have undermined the system of slavery? What would you have done if you had been a slave? Give reasons for your actions. (page 115)
